What is UNEP ?

United Nations Environment Programme

The United Nations Environment Programme (**UNEP**), established in 1972, works to encourage sustainable development through sound environmental practices.

What is UNEP FI ?

United Nations Environment Programme Finance Initiative

UNEP FI is a unique global partnership (Public-Private Partnership) between **UNEP** and the Financial Institutions worldwide.

Mission

To realize best environmental and sustainability practice at all levels of financial institution operations.

Expansion

Launched at the 1992 Rio Earth Summit, UNEP FI has grown from 6 to more than 180 financial institutions worldwide today.

Commitment

By signing one of the two UNEP FI Statements, a company commits to the goals of Sustainable Development.

UNEP FI worldwide

184 UNEP FI Signatories
(Financial Institutions & Insurances)

Date: 16/03/05

UNEP Statement by Financial Institutions on Environment and Sustainable Development

1 Commitment to Sustainable Development

2 Environmental Management and Sustainable Development

3 Public Awareness and Communication
