

Celebrating 25 years of  
Changing finance, financing change

Erik Solheim  
Head, UN Environment

“UN Environment Programme’s Finance Initiative has been working for 25 years to bridge the gap between **global finance institutions** and the environmental and social agendas, so that both **people** and **planet** can flourish.”

Welcome to the Latin America and  
the Caribbean Regional Roundtable

“We’ve worked with leading **banks, investors and insurers**, and have reached a place where greening finance, and financing a green economy, are no longer seen as optional, but rather as **best practice.**”

**Erik Solheim**  
Head, UN Environment
