

REGIONAL ROUNDTABLE ON **SUSTAINABLE FINANCE** IN LATIN AMERICA AND THE CARIBBEAN

Keynote Presentation

Aligning Finance with Sustainable Development

Eric Usher, Head UNEP FI

Nations Unies

Conférence sur les Changements Climatiques

COP21/CMP11

Paris France

Climate Change Coming to a Court Near You

Investing

Lawsuits may spring from failure to disclose climate-related risks

Insurance

More fights with claimholders likely as natural disasters become more frequent

Lending

Banks may need to take their borrowers to court when collateralized assets are damaged

Architecture

Who is liable when buildings fail amid extreme weather?

Yes the planet got destroyed, but for a beautiful moment in time, we created a lot of value for shareholders.

(Tom Toro – New Yorker)
