

Equip your team to better serve women entrepreneurs

Apply to the Women Centered Design (WCD) Implementation Lab, a hands-on learning program for PRB signatory banks.

Why join?

- Build practical women-centered design skills across your teams.
- Co-design a product or service for women clients, grounded in UNEP FI's financial health outcomes: stability, resilience, and security.
- Get technical assistance, including 1-on-1 advisory from CARE and UNEP FI.
- Showcase your results in the Community of Practice's plenary session in July 2027.

What we ask

- A cross-functional team of five
- Four sessions of 90 minutes to 3 hours (November 2026 to February 2027)
- Leadership commitment to pilot your approach in the first half of 2027
- No fee: banks cover their own staff time and pilot resources

Apply by November 10

Info session: October 29, 15:00–16:00 CET, on Teams.

Selection announced: November 16.

You don't need your full team list or every detail to apply. Complete the application form as fully as you can.
