Financing the battle: scaling up private sector investment through public mechanisms

The UNEP FI-IIGCC Side Event at COP 15

11 December 2009
9:00 to 10:30am
Bella Center – Hall E
Room: Halfdan Rasmussen

A dialogue between private finance representatives and policymakers on:

- the policy framework needed to re-allocate private capital towards a low carbon economy and to support adaptation
- the public finance mechanisms to support private climate investment in developing economies
- the appropriate flexible mechanisms to boost the effectiveness of carbon markets
