No longer just an ideal!

Responsible social and environmental performance gives companies a competitive advantage.

Learn how to identify, analyse and manage environmental and social risk in your lending and investment decision-making!
Target audience: Risk managers and analysts in corporate, investment and retail banking in developing countries and emerging markets.

Course structure: The programme provides in-depth and personalised training. Tutors engage with participants online on a daily basis, providing guidance and facilitating debates.
Target audience: Risk managers and analysts in corporate, investment and retail banking in developing countries and emerging markets.
