

Investor and Company Actions on Disclosure of Climate Risks and Opportunities

COP23
Official side-event
15th November
11:30-13:00
Meeting Room 10
Bonn Zone

Showcasing **how investors**, the finance sector **and companies** are working with each other and governments **to ensure greater disclosure** of climate-related financial information.

The event will include two panel discussions with experts from the finance and business sectors.

Panel 1. What hurdles must be overcome to ensure proper disclosure?

Panel 2. How to overcome these hurdles to ensure proper disclosure?

Among the speakers:

Sue Reid, Ceres; Paul Simpson, CDP; Emma Herd, IGCC; Mark Campanale, Carbon Tracker;
James Beven, CCLA; Eric Usher, UNEP Finance Initiative; Val Smith, Citigroup

Live webcast: <https://www.youtube.com/watch?v=kcYyZylAZg0>

Please note the the meeting room is subject to change.
