

# Enhancing Investor Actions to Implement the Paris Agreement and Accelerate the Low-carbon Transition to Below 2 degrees

COP23  
Finance Day  
13<sup>th</sup> November  
15:00-16:30  
Bonn Zone

You are invited to an important event at COP23 to discuss how **investors are acting** and working with companies and governments **to deliver the Paris Agreement** and accelerate the low-carbon transition.

Hear practical examples of investor action on low carbon investment and carbon risk management, **disclosure, corporate engagement and public policy.**

The event speakers and expert panel will include:

Opening Remarks: **Christiana Figueres**, Convener, Mission 2020

Closing Remarks: **Erik Solheim**, Executive Director, UN Environment

Panelists include:

- **Emma Herd**, CEO IGCC
- **Thomas P. DiNapoli**, Comptroller of the State of New York & Ceres Board Member
- **Peter Damgaard Jensen**, CEO PKA & IIGCC Chair
- **Anthony Hoble**y, CEO Carbon Tracker

Moderators: **Stephanie Pfeifer**, CEO, IIGCC and **Fiona Reynolds**, Managing Director, PRI
