Membership Application Form

Sustainable Blue Economy Finance Initiative

Please complete this Membership Application form and return it by email to:

Dennis Fritsch, Project Coordinator for the Sustainable Blue Economy Finance Initiative, Dennis.Fritsch@un.org

About Membership

By signing our Membership Application form, your organisation agrees to become a *Member* of the Sustainable Blue Economy Finance Initiative. By becoming a Member your organisation is able to participate in working groups, align with peers worldwide, and take a leadership role in shaping the future of blue economy financing.

Benefits include:

- **Industry Guidance:** join our cross-industry working groups exploring how to best to finance a sustainable blue economy. These groups are also exploring the most efficient and effective way for organisations to report on the principles in line with other reporting commitments.
- **Reports:** join our cross-industry working groups to contribute to leading reports on the state of the blue economy, designed to catalyse change at a global level.
- **Access:** cross-industry peer exchange and access to international organisations, scientists and researchers for practical advice, best-practices, and the latest blue finance solutions.

Expectations:

- **We expect** Members to be working towards the adoption and implementation of the Principles.
- **We expect** Members to update the Secretariat of the Sustainable Blue Economy Finance Initiative annually on how their organisation is progressing on supporting blue economy finance. These annual updates are designed to ensure our Members continue to make positive changes within their activities.
- **We expect** Financial Institutions who join as Members to become Signatories to the Principles in the course of time.

Becoming a 'Member' vs. Becoming a 'Signatory to the Principles':

By signing this form and becoming a Member, your organisation has *not* become a Signatory to the Sustainable Blue Economy Finance Principles, and your organisation is *not* committed to applying the principles to its activities. Similarly, your organisation is *not* committed to any public reporting requirements. In order to become a Signatory to the Principles, please sign and return the separate [Signatory Declaration form](#) in addition to this form.

For questions or additional information, please contact: Dennis.Fritsch@un.org
