Group E&S Manager is the most senior E&S Risk Management Officer in the organization, and reports to the GCRO. The Group E&S Manager:

- Advises and coaches management and business units on E&S risk management.
- Monitors the application of E&S risk management processes.
- Co-ordinates E&S risk management information to the GCRO as necessary.
- Oversees the overall implementation of the E&S risk management strategies.
- Provides overall supervision of all activities in E&S Risk Management.
- Prepares both the annual mandatory E&S performance review reports to the development lenders as well as the Group Annual Sustainability Report
