INVITE YOU TO A VIRTUAL ROUNDTABLE:

NET-ZERO FUTURE: CREDIBLE AMBITION AND SOLUTIONS

Wednesday, October 20, 2021
8:00am EDT

[REGISTER HERE](#)

Ahead of the G20 Summit and COP26, hear from some of the most important net-zero pioneers who are acting now to decarbonize their portfolios and speaking out about the imperatives, challenges, opportunities and feasibility of doing so. This global roundtable will feature members of the UN-convened Net Zero Asset Owner Alliance and corporate leaders who are setting and reporting on ambitious, science-based interim targets by 2025 and stepping forward to challenge and inspire their peers in government, business, and investment to do the same.

Speakers include:

Oliver Baete

CEO, Allianz

Suphachai Chearavanont

CEO, C.P. Group

Selwin Hart

UN Assistant Secretary-General,
Climate Action

Hiro Mizuno

UN Special Envoy on Innovative
Finance and Sustainable Investments

Francesco Starace

CEO, Enel
