January 2024

Dear UNEP FI friend,

We look forward to our continued work on the Principles for Responsible Banking in 2024! In this month’s update, we invite you to join the webinar where you will learn about the PRB 2024 Work Programme, read recent publications from UNEP FI and NZBA, and attend other upcoming events including the Regional Roundtable LatAm & Caribbean.

Register to hear about the Principles for Responsible Banking 2024 Work Programme

To look ahead for 2024, we will host a webinar on Tuesday, 6 February 2023 to present the 2023 PRB Work Programme, where you can find out about opportunities to get involved in Working Groups, capacity building sessions, and other upcoming events including the Regional Roundtable LatAm & Caribbean. We also welcome the newly appointed officers to our Banking Board.

Join the Working Group on ESRS impact materiality assessment

The UNEP FI Regional Roundtable Latin America & Caribbean serves as a convening space for dialogue to learn more about the region’s progress on sustainable finance standards and frameworks. This newsletter is sent to UNEP FI member banks and PRB signatory banks only.

For questions or concerns, please contact ana.toimil@unepfi.org.

Principles for Responsible Banking Update

Read the most recent publications from UNEP FI and NZBA

Climate Target Setting for Real Estate Sector Financing: The first in a series, developed by NZBA members to assist banks setting climate-related financing targets in particular sectors of the real economy. Learn key considerations for banks setting climate-related targets for non-real estate commercial and residential finance. Get more details and download the report here. View webinar details here.

Join Transition Finance: Pathways for Banking and Insurance: This report outlines the social and economic impacts of the transition, and offers a toolkit to assist banks and insurers in managing the transition and aligning their portfolios.

Developing Metrics for Transition Finance: Pathways for banking and insurance.

Reach out to attend two upcoming NZBA webinars

The Net Zero Banks Standard: Understanding Investor Expectations Members webinar | Tuesday, 10 January | 8am CET

Register here.

Climate Target Setting for Real Estate Sector Financing: The second in a series of webinars from the Net Zero Banking Alliance (NZBA) on strategic priorities in sector-specific transition targets.
